

**Professor Jim Skea, co-Chair IPCC working group 3 and Chair, Just Transition Commission**

Professor Skea has research interests in climate change and technological innovation and is Co-Chair of Working Group III (Mitigation) of the Intergovernmental Panel on Climate Change. He was also the Scottish Champion of the UK's Committee on Climate Change until December 2018.

He is internationally recognised as a leading climate scientist. In 2004 he was awarded an OBE for services to sustainable transport and in 2013 he was awarded a CBE for services to sustainable energy.

He was Chair of the previous Just Transition Commission and recently agreed to continue in his role as Chair for the next iteration of the Just Transition Commission.
